R911411594 Control Device Bosch Rexroth

Reference: R911411594

Short description

R911411594

Description

The R911411594 control device offers energy efficiency through regulated DC bus voltage and bidirectional energy direction. Integrated safety technology up to SIL3 and ideal adaptation to machine requirements with a wide range of motors, including the open and future-proof ctrlX CORE control platform. The compact design saves space, suitable for 300 mm control cabinets. Plug & Play technology with ctrlX DRIVE servo drives and motors, providing scalable power and reduced cabling effort. Original products, local support through CreatX Technology SRL.
