R914513542 DC/DC Converter XMV 2-W0080ANC-01AETNNNNNN- S05RSN2NNNPNNN Bosch Rexroth

Reference: R914513542

Short description

R914513542

Description

The R914513542 DC/DC Converter XMV2-W0080ANC-01AETNNNNNN-S05RSN2NNNPNNN from Bosch Rexroth provides variable output voltage, ideal for applications such as battery buffers, battery test rigs and simulations, fuel cell applications, and DC motor test rigs. This original product, available through CreatX Technology SRL, ensures superior quality and local support. It operates in both voltage-controlled and current-controlled modes, with supply and regenerative options. The drive-integrated control ctrlX CORE can be integrated into almost all automation applications.
