3842537898 Ecoflow 300 Return Stop Bosch Rexroth

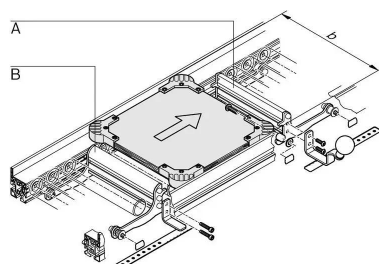

Reference: 3842537898

Short description

3842537898

Description

3842537898 Ecoflow 300 Return Stop is a crucial accessory for profiles, providing return stop and separator for positioning workpiece supports or containers. Ensures optimal foot clearance and an efficiently mounted structure at 45 mm down. Original Bosch Rexroth product, available through local support from CreatX Technology SRL, ensuring superior quality and reliability.
