3842546539 DRAWER CABINET 360_3 ESD Bosch Rexroth

Reference: 3842546539

22852

Short description

3842546539

Description

The 3842546539 DRAWER CABINET 360_3 ESD provides efficient and secure storage solutions. Each of the three ESD drawers features cushioning, soft closing, and ball bearing guides, ensuring smooth and quiet operation. The ergonomic aluminum grip ruler allows for easy labeling, and the cabinet can be mounted on either the table frame or tabletop. The central drawer is lockable for added security. With a load capacity of 350 N per drawer and 850 N total, this cabinet is ideal for industrial use. Original Bosch Rexroth product, available with local support from CreatX Technology SRL.
