3842548832 Variofix Block 8 Profile Accessories Bosch Rexroth

Reference: 3842548832

Short description

3842548832

Description

The Variofix Block 3842548832 for groove 8 is perfect for subsequent mounting in closed frame constructions. It offers secure fastening through snap-in bracket or screw connection, including M6 square nut and screw. The protective ring ensures proper screw joint with the surface element, in compliance with the Machinery Directive 2006/42/EC. Compatible with surface elements up to 13 mm thick. Its asymmetric shape allows for fixation in two different positions, ensuring flexibility and efficiency. Original Bosch Rexroth products are available with local support through CreatX Technology SRL.
