## 3842555180 Cable Bracket N10 Grey Bosch Rexroth

**Reference:** 3842555180

### Short description

3842555180

### Description

The 3842555180 cable bracket, type N10, is a high-quality cable support, perfect for securing individual cables with a cable tie. Designed for use behind washers or stoppers, this original Bosch Rexroth product offers a size perfectly adapted to the Variofix block for a 10 mm groove. Enjoy local support through CreatX Technology SRL.
