3842559957 LIFT MODULE F3200-LIFT500MM Bosch Rexroth

Reference: 3842559957

Short description

3842559957

Description

The 3842559957 F3200-LIFT500MM lift module from Bosch Rexroth provides versatile solutions for height adjustment at workstations. Featuring three lift modules with various maximum forces and lifting speeds, this product ensures adaptability and efficiency. Includes a 2 m connection cable and flexible mounting options. Its design prevents crushing hazards and is ESD compliant. Original product, available with local support from CreatX Technology SRL.
