3842562077 XLean Cover Cap Bosch Rexroth

Reference: 3842562077

39375

Short description

3842562077

Description

The XLean cover cap, code 3842562077, is an original Bosch Rexroth product designed for covering open ends of small roller sections. It enhances system rigidity and stability, making it ideal for section joining. Available in ESD conductive version, it ensures smooth container braking. Benefit from local support through CreatX Technology SRL.
