3842564145 LIFT MODULE LOCKING CORNER Bosch Rexroth

Reference: 3842564145

Short description

3842564145

Description

Lift Module Support Corner 3842564145, an original Bosch Rexroth product, provides three lifting modules with various forces and speeds for height adjustment at workstations. Includes a 2m connection cable and a safety cover cap. Compatible with F1000, F1600, F3200 modules, this corner is ideal for lateral profile mounting. Local support through CreatX Technology SRL.
