3842523205 SLIDING ELEMENT 10/10N CENTER Bosch Rexroth

Reference: 3842523205

Short description

3842523205

Description

The sliding element 3842523205, known as SLIDING ELEMENT 10/10N CENTER, is ideal for mounting low-wear guides. It is perfect for applications such as manual sleds, sliding and rolling doors, as well as drawer extractors. An original Bosch Rexroth product, offered with local support through CreatX Technology SRL, ensures superior quality and exceptional technical performance.
