3842526417 RETURN CAP LF6C Bosch Rexroth

Reference: 3842526417

Short description

3842526417

Description

The LF6C return cap, code 3842526417, is an original Bosch Rexroth product designed for changing direction and tensioning the toothed belt. It mounts directly on the 45x90L profile using the joint connection element. The product offers remarkable technical advantages and superior quality, supported locally by CreatX Technology SRL.
