## 3842529320 Cam Slot Slider 8 M6 ES L-16 Bosch Rexroth

**Reference:** 3842529320

00110900

### Short description

3842529320

### Description

The 3842529320 cam slot slider is an original Bosch Rexroth product, specifically designed for the automatic mounting of individual fastening elements. Made from galvanized steel, this profile accessory offers superior quality and ease of use without requiring profile processing. It can be directly inserted at the assembly site, making it exceptionally easy to install. Enjoy local support through CreatX Technology SRL.
