384255574 Hinge 45-60/30 Bosch Rexroth

Reference: 384255574

Short description

384255574

Description

The 384255574 hinge, type 45-60/30 from Bosch Rexroth, is an original product, perfect for mounting large and heavy doors. With an opening angle of approximately 180°, this suspendable hinge provides superior safety and quality. The exterior mounting prevents unauthorized dismantling, making it ideal for safety devices. Enjoy local support through CreatX Technology SRL.
