384255592 Double Connector 10 D17X100 Profile Accessories Bosch Rexroth

Reference: 384255592

Short description

384255592

Description

The double connector 384255592 D17X100 is an essential joining piece for right-angle connections of two profiles. It includes D17x100 bolts and is ideal for heavy loads, including torsion. Profile processing requires a D11, D17 through-hole. Original Bosch Rexroth product, available with local support through CreatX Technology SRL.
