R911412230 CONTROL DEVICE XMS 2-W0280ANN-01NETT0NNNN- S03RSN2NNNN0NN Bosch Rexroth

Reference: R911412230

Short description

R911412230

Description

The XMS2-W0280ANN-01NETT0NNNN-S03RSN2NNNN0NN control device, code R911412230, from Bosch Rexroth, is a single-axis inverter powered by DC voltage, generating a controlled AC output for motor operation. It offers advanced functionalities through optional packages and supports safety applications up to SIL3. With a wide range of motors and a compact design, it saves space. Plug & Play technology and reduced cabling make this product an ideal choice for industrial applications. Original products, local support through CreatX Technology SRL.
