3842544836 BUCKET-TRAY D52-15,W BASE,ESD Bosch Rexroth

Reference: 3842544836

20994

Short description

3842544836

Description

The 52-15 diameter cup insert (with base) provides ergonomic and convenient tool preparation at the workstation. Round and oval cup inserts, with and without base, integrate seamlessly into the appropriate tool holder. With four different positions for oval inserts, gripping and placing movements are optimized. The tool holder allows suspension in the suspension profile or container fixing device, with space for adhesive label inscription. Save 10% to 20% time according to MTM, thanks to quick identification and a 45° inclined insertion support for ergonomic handling. Original products, local support through CreatX Technology SRL.
