3842548813 Cover Cap 60x90 ESD Bosch Rexroth

Reference: 3842548813

Short description

3842548813

Description

The 3842548813 cover cap, type 60x90 ESD, is an original Bosch Rexroth product, providing superior protection against injuries at open profile ends. Its stylish design and integrated hole allow for use with articulated feet and rollers, ensuring extended functionality. Benefit from superior quality and local support provided by CreatX Technology SRL.
